

SUMMER PLACE COMMUNITY ASSOCIATION PICNIC

MAY 4, 20019

Meeting was called to order at 11:20 AM by President Dennis Overgoner.

Dianna Bayliss, Treasurer, reviewed information about the use of the boat ramp. Thirty (30) keys have been purchased. John Griffin is the only Association member who has a key to loan out. The boat ramp is private property and in order to use David Canales is requiring anyone at the boat ramp (i.e. helping to launch a boat or jet skies, a spouse, neighbor, etc.) must sign the "Boat Ramp Use Agreement". Make sure the gate is locked after launching and after returning and leaving the area. David prefers handling any repairs needed. If you do wish to help contact him directly. The Association will not be participating in paying for any repairs. Money donated toward repairs, by individuals, has been returned to them.

Dianna collected 2019 dues. She also reminded everyone to give their permission to her if they want to be included in an Association directory.

Dennis reported that Ryan Campbell from Teague has been contracted to mow the right-a-ways.

Our guest speaker was Destin Delgado, new Texas Game Warden in our area. He reviewed some of the duties of their department. One area he stressed was boating and water safety. He mentioned the law on jug or trot line fishing. Also discussed was the law for hunting wild hogs.

Meeting was adjourned at 11:45 AM

Respectfully Submitted,

Charlene Botts, Secretary
